\$23,000 Granted For the Civilian Workers Projects

President Lamkin Announces Program Giving Over One Hundred Sixty Jobs.

Eighty Student Jobs

\$18,000 TO BE SPENT FOR LABOR AND OVER FOUR THOUSAND FOR MATERIALS

The CWA committee for Nodaway county has announced the approval of the twenty-two projects proposed from this district. The approval means that about 150 men will return to work in Maryville. Since a major portion of the work will be done on the College grounds a large number of College students have been given employment. About eighty boys will be able to remain in school as a result of this government public works loan.

Mr. Lamkin said early this week that the projects ranged in cost from \$45 to \$3,000. Of the \$23,000 granted for the work, \$18,863 would be spent for labor and \$4,387 would be set aside for materials.

Some of the major projects listed are: the building up of the shoulders along the tunnel to the gymnasium, terracing the residential grounds at the south end of the campus, the building of two tennis courts at the north side of Residence Hall, the building of two tennis courts on the athletic field just west of the gymnasium, tiling the southeast corner of the athletic field and roadway west of the gymnasium, re-lay the long walk from the main building south to the end of the campus, build a lake east of the present tennis courts, move the cottages out of College Park and place them at points on the campus where they can be used as living quarters for the College farmer. One of these will be placed on the athletic field as a storehouse. The College farm will be filled for drainage and 350 rods of fence put up. All outbuildings will be painted and all of the campus buildings cleaned. The floors at the dormitory will be refinished as will the furniture.

(Continued on Page 4)

Christmas Seals on Sale Now in a United Drive

Campus Organizations Compete in Contest of Total Sales.

Christmas seals support the work of local, state, and national tuberculosis associations in the United States. Six organizations are to have charge of the sale of seals on the campus: Alpha Sigma Alpha, Sigma Sigma Sigma, Sigma Tau Gamma, Sigma Mu Delta, W. C. A., and Y. M. C. A.

There is no prize offered for the organization that sell the most. Their motives in this drive are: to aid tuberculosis associations and the honor of being the organization that helped the most. In order that the daily progress of the sales may be watched there is to be a large poster in the hall recording the sales each day. Because of the great number of girls at the dormitory it would be unfair for Residence Hall to enter into the race. Girls in Residence Hall, however, will sell in the hall.

These tiny seals sold for one cent have made possible an organization campaign against tuberculosis that has been carried on with ever-increasing emphasis year after year. The accumulated pennies provide tuberculosis funds for a vast number of communities supervised by specialists in tuberculosis, and promote open-air schools and sanatoria. Aid is provided for Sanatoria lacking sufficient funds where official health organizations are recommended.

BULLDOG CO-CAPTAINS

Robinson and Robinson to Head 1934 Kirkville Eleven.

Gold Embree, of Marcelline, quarterback, and Jack Robinson, of Springfield, New Mexico, tackle, have been selected as co-captains of the Kirkville team for 1934. Both are juniors and were selected on the M. I. A. A. all-star eleven.

They succeeded Captain Henry Hudson, who completed four years of play on the Bulldog squad in the game at Pittsburg, Kan., last week.

The Bulldogs previously had elected one captain.

Christmas Vacation Starts Thursday, December 21.

Is there anyone in school who can write the words for a school song? Mr. Velle will write the music if someone will write the words. He also is interested in a victory song.

Our school should have both of these, all we need is the words. Anybody interested see Mr. Velle.

Courses in Good Posture Carried Over This Term

Poster Judging Ended the Fall Quarter Work, Winners Announced.

150 in Poster Contest

MAY FETE AND DANCE CYCLE WILL PROBABLY BE THE FAMOUS PETER PAN

Miss Nell Martindale, head of the women's physical education department, has announced that good posture and corrective posture classes will be continued into the winter quarter. The announcement was made after the success of the fall classes was apparent. Miss Martindale is very much satisfied with the experimental group with which she has been working for the past twelve weeks, and plans to conduct her winter classes along the same lines. As was announced in the Missourian two weeks ago, the winners of the poster contest, held in connection with the "Good Posture" week, would be made public after the judging of the posters. Due to the lateness of the time in the fall quarter the judging was put off until the opening of the winter quarter.

Major dance cycles for the annual dance repertoire at the May Fete are being built up to full time. Much interest will be shown in this year's May Fete as it was one of the feature hits presented by Miss Martindale while she was located at North Dakota University. The May Fetes of that school, and this, have become nationally known since the management has been under the direction of Miss Martindale.

The theme of this year's Fete is based on the story of Peter Pan. Miss Martindale presented Peter Pan at North Dakota University while she was teaching there and is well acquainted with the production.

Prize winners in the poster contest were announced early this week by Miss Martindale. First prize was won by Doris Lanning; second, Leona Acklin; third, Wilma Phelps. Honorable mention was awarded to the following: Mary E. Barton, Eunice Scott, Bernice Pence, Helen Kramer, Louise Bauer, and Neil Callow. The poster will remain on display in the gym for one week according to a statement by Miss Martindale Monday.

Spring Cage Tournament Will Be Held If District Teams Care to Participate

An invitation basketball tournament for high school teams will be held here March 2 and 3 if enough schools indicate a desire to participate. It is announced by H. R. Dieterich of the Board of Control of the State high school athletic association.

This announcement is made in view of the recent ruling of the association that teams to compete in the state tournament will be selected by the board and not by district elimination tournaments as in the past. The Teachers college however, were granted permission to conduct tournaments on their own violation, however.

Next spring there will be only one official tournament, that for the state championship. It will be played in Brewer field house at the University of Missouri, March 9 and 10. There will be only one class and play will be on a straight elimination basis with no consolation round.

The State Board of Control will invite the sixteen teams it considers the strongest in the state, invitations to be based on season's records including conference and invitational tournaments in which the teams may have participated.

Mr. Dieterich said that the changed plan of conducting the state tournament had been adopted because of the need for economy and because of difference of opinion on the advisability of having play in two classes. Whether or not a tournament is held here depends largely on the wishes of schools in the district, he said.

Stewart Shelton has returned to school with the opening of the winter quarter. "Stew" is a welcome addition to the basketball squad.

Cherokee, Ia., high school, producer of a number of star wrestlers, has been awarded the 1934 midwestern A. A. U. wrestling tournament.

Field Secretary of Y. W. C. A. and Y. M. C. A. Visits Here This Week

Miss Fern Babcock, of Kansas City, field secretary of the Southwest Council of the Y. W. C. A., and Y. M. C. A., arrived in Maryville Tuesday to confer with student groups on the campus in regard to the "Y" activities for the remainder of the school year.

Tuesday evening Miss Babcock was entertained by the Y. W. C. A. group at a pot-luck supper at the cabin in College Park. Besides meeting with the Y. W. C. A. cabinet, Miss Babcock conducted a forum at 7:30 o'clock Wednesday night in Social Hall before the Y. M. C. A. membership and afterward met with the cabinet.

A Lending Library Is Established in the Supply Store

A Committee Composed of Faculty and Student Members to Choose Books.

The College is establishing a rental library in the book store for the benefit of those people who wish to read the better books published. The rental charge will be two cents a day for those having an activity card and three cents a day for those who do not have.

A committee consisting of Miss Stephenson, Miss Brumbaugh, Miss DeLuce, Miss Dykes, as faculty representatives and C. J. Merrigan and Dan Blood as student representatives has been selected for the purpose of choosing as far as possible the superior reading books. This committee does not pretend to be well informed on all the latest reading books published and would consequently welcome suggestions from anyone in regard to the selection of these books. The committee has read a few of the books thus far chosen but has had to depend principally upon reliable book reviews and the past records of the authors.

About twenty books will be ready for use next Monday and a new group shall be chosen every two or three weeks in the future. The covers of the books now in the library are on display in the case at the head of the stairs. The committee shall continue the policy of placing new book covers there in order that the students may know the books in the library.

Hodgkinson, Former Bearcat Star Leads Denver Pigs to Victory in Debut

The Denver Pigs, Rocky Mountain A. U. basketball champions, opened their season with an easily-acquired 43 to 25 victory over the Reno Creamery of Hutchinson, Kan.

The Pigs took a 3 to 0 lead in the initial minute, boosted their advantage to 12 to 2 quickly and at half time were ahead, 20 to 12. The Denver quintet ran away with the game in the second half, accumulating a 37 to 18 lead after ten minutes of play, and coasted to victory.

Hodgkinson, Pig forward and former Bearcat star, was the leading individual scorer with 14 points. Ad "Too Tall" Dietzel, Reno center, was the high point man for the losers with eight points. The Pigs presented a more polished game and their tight defensive exhibition forced the visitors to try many long shots, few of which connected.

No Action Taken on Enlarging the M. I. A. A. at the Kansas City Meeting

Enlargement of the Missouri Intercollegiate A. A. State Teachers College circuit, was discussed informally at the annual conference session but no action was taken and it will continue as a five-member circuit.

The schools considered for membership are Rockhurst College of Kansas City and St. Benedict's of Atchison, Kan.

The faculty and athletic representatives unanimously adopted a resolution congratulating Coach Don Faurot and his Northeast Missouri football squad for its undefeated record, which included a victory over the University of Missouri.

The group rejected three proposed minor amendments to the eligibility rules. Delegates said the session was harmonious, with no recurrence of the dispute which followed the eligibility committee's decision declaring Warrensburg's star quarterback ineligible during the past football season.

The coaches met after luncheon to arrange their 1934 football schedules. W. W. Parker of Southeast Missouri State Teachers College, Cape Girardeau, was elected president of the conference, succeeding Uel W. Lamkin.

Christmas Vacation Starts Thursday, December 21.

Social Science Club Opens Winter Activities With Interesting Debate

The first meeting of the Social Science Club for the winter quarter was held at 7:30 o'clock Tuesday in Social Hall at the College. A debate is to be held on the question, "Resolved, That the Government Should Own and Control All Basic Industries." The affirmative issue was taken by Kenneth Brown and Homer Black, while the negative side will be supported by Albert Kreek and Wendall Dalbey.

Homer Black is the president of the Social Science Club for the winter quarter, succeeding C. J. Merrigan who had been the president for the fall quarter. Meetings of the Social Science Club will be held every Tuesday night in Social Hall.

Bearcats Lose to Warrensburg in Hard Battle

7 to 0 Victory For Mules Gives Them Second Place in M. I. A. A.

Final M. I. A. A. Standings	W. L.	Pct.	Pos.	O. P.
Kirkville.....	4 0	1.000	1st	13
Warrensburg.....	3 1	.750	2d	45
Cape Girardeau.....	2 2	.500	3d	46
Maryville.....	1 3	.250	4th	44
Springfield.....	0 4	.000	5th	94

The crippled Bearcat eleven put up a hard fight against the Warrensburg Mules there Thanksgiving but lost 0-7, allowing the Mules to capture undisputed possession of second place in the final M. I. A. A. standings. It was the final game of the season.

The Bearcats had a scoring chance early in the game. They clicked off three straight first downs, but were stopped on fourth down on the Mule 18-inch line.

With Jones out of the game and with Sullivan, Morrow and Palumbo badly crippled, the Bearcats did not have the power to stop the Warrensburg rushes. Sloan was moved into the backfield and Palumbo was used to back up the line on defense. They both turned in good performances. Phelps and Marr, like Sloan, were playing their last game for the Bearcats, and they all looked very good indeed. Bud Green turned in an outstanding performance at end.

Many substitutions were made in the Maryville line but Warrensburg, with a fresh team unhampered by injuries, had all the steam required.

Brenner, Mule quarterback, intercepted a Maryville pass as the first period closed and raced seventy yards to the Bearcats' 15-yard line. Soon after the second quarter opened, Strange went over for a touchdown and Brenner place-kicked the extra point. On two other occasions, long passes put the ball inside Maryville's 5-yard line, but the plays were called back.

The lineups:	Warrensburg—7	Position	Maryville—11
Diller.....	L.E.	Green
Sulser.....	L.T.	Cronkite
Harvey.....	L.G.	Sullivan
Mason.....	C.	Palumbo
Wells.....	R.G.	Morrow
Denny.....	R.T.	Baker
Brenner.....	Q.E.	Marr
Dow.....	L.B.	Phelps
Pearson.....	R.H.	Vates
Strange.....	R.H.	Rulon
Brown.....	F.B.	Sloan

Dr. Walter E. Meanwell, veteran Wisconsin basketball coach, starts this season with the same quintet which played throughout last season as sophomores.

Dr. Charles M. Sheldon Will Visit College Campus Under Auspices of Y.M.C.A.

Dr. Charles M. Sheldon of Topeka, Kan., a noted clergyman who years ago wrote, "In His Steps," which was the best selling religious book of that day, will be on the College campus, January 18, under the auspices of the Student Y. M. C. A. He has written acceptance of the invitation to come on that date.

Arrangements are being made with the assembly committee to have him speak before the student body that morning on the subject, "Some Results of a True Education." He is to speak at the fourth annual all-city International Fellowship banquet that evening on the subject, "The Outlook for A Warless World."

Dr. Sheldon's address is expected to appeal to many adults as well as students. When his book, "In His Steps," came off the press in 1896 it was a best-seller for it had a sale of 30,000,000 copies in several countries. He is author of more than a score of books. He was editor of the Christian Herald, 1920-25, and since has been a contributing editor. He was ordained a Congregational minister in 1886, and had his first pastorate in Vermont. He has degrees from Brown University, Andover Theological Seminary, Temple College, and Washburn College.

Christmas Vacation Ends Wednesday, January 3.

DAD'S DAY
Be sure to buy your ticket for the Dad's Day banquet next Friday. Also be sure and invite your Dad. Today is the last chance to buy your ticket and if not bought by then there will be no chance to attend the banquet with your Dad.

President Lamkin Announces Honor Roll For Fall

Names of Outstanding Students Read in Assembly Last Wednesday

13 Make Honor Roll

NAME OF KERMIT CULVER OMITTED FROM LIST READ TO THE STUDENT BODY.

Eleven students of the State Teachers College attained ranking on the scholastic honor roll for the fall quarter. Their standing is superior with E and S grades to their credit. The list was announced yesterday by President Lamkin at the first assembly of the winter quarter.

Miss Maude Qualls, M. C. Rowan, Jr., and Kermit Culver are Maryville residents.

The high grades were not made in so-called "snap" courses, but for the most part the eleven students ranked high in some of the most difficult subjects of the college curriculum.

Following are the names of those on the fall quarter honor roll and the subjects in which they made the high marks:

Homer Black, Gashland, practice teaching 190, S; agriculture 23, E; Continental Europe 151, E; geography 104, S.

Densil Cooper, physics 61d, E; chemistry 11a, E; history 14a, E; analytical geometry 75a, E minus.

Miss Duane Eberhart, physics 61a, E; calculus 131a, E; education 125, S; chemistry 91a, E.

Marvin Elliott, Oregon, education 106 S; American history 124, E; Continental Europe 151, E; education 125, E.

Marjorie Eppard, introduction to art 11, E; citizenship 20, E; arithmetic 15 S; educational psychology 30, E.

Vivien Fordyce, qual. analysis 91a, S; American literature 131, E; algebra 10, S minus; food problems 71a, E.

Maude Qualls, Maryville, English literature 62b, E; shorthand 71a, E; beginning French 11a, E; English 121, S.

M. C. Rowan, Jr., Maryville, physics 101a, S plus; calculus 131a, E; education 190, E.

Avis Glenn, English language 102, E; history of education 142, S.

Dorothy Glenn, practice teaching 04c, S; fine arts 171, E.

Kermit Culver, Maryville, education 130, E; education 140, S; English 131, S; practice teaching 190, S; economics 15a, E.

M. I. A. A. Football Schedule For 1934 Announced at Kansas City

The M. I. A. A. conference football schedule, with all the October games at light, was announced as follows:

Oct. 12—Cape Girardeau at Warrensburg; Springfield at Maryville.

Oct. 19—Springfield at Kirkville.

Oct. 26—Kirkville at Warrensburg; Cape Girardeau at Maryville.

Nov. 2—Springfield at Cape Girardeau.

Nov. 9—Warrensburg at Springfield.

Nov. 12—Maryville at Kirkville.

Nov. 23—Warrensburg at Maryville; Kirkville at Cape Girardeau.

The conference track meet was awarded to Warrensburg and will be held next May 18. Golf and tennis competition will be at the same time and place.

Coach Faurot announced the champion Kirkville team would play four football games next fall outside the circuit, one with the University of Missouri, probably on September 29 at Columbia, and the others at dates to be determined with the Missouri School of Mines, the Pittsburg, Kan., Teachers at Kirkville and an unnamed opponent.

Maryville will play Rockhurst and the Missouri Miners at Maryville and the Pittsburg Teachers at Pittsburg on dates to be decided upon.

Sale of College Approved.

Mexico, Mo.—(P)—The auction sale of the Hardin College for girls, founded by Charles H. Hardin, former Missouri governor, to lien claimants for \$40,000 has been approved by Circuit Judge W. C. Hughes. The purchasers include the Farm and Home Savings and Loan Association, holder of a mortgage of more than \$325,000, and faculty members who claimed \$35,000 in unpaid salaries.

Iba Will Bring Colorado U Team Here December 20

Definite Arrangements Are Completed; Bearcats Meet Peru Here Dec. 15.

Seven Lettermen

BENSON AND JONES YET UNABLE TO PLAY, DUE TO FOOTBALL INJURIES

Definite arrangements for the University of Colorado basketball team to play the Maryville teachers here December 20 were completed Monday afternoon when Coach Wilbur Stalcup of the Bearcats responded to a wire from Coach Henry Iba of Colorado.

Iba, who for four years dominated the M. I. A. A. as coach of the Bearcats, is serving his first year as head basketball coach at Colorado while Stalcup, as everyone knows, was one of his star pupils here.

A close contest is probable as Iba has been confronted with the task of teaching a squad an entirely new system of basketball in a brief time, while Stalcup was forced to pick up the remnants of last year's squad in an effort to keep them toward the top of a league which has been growing increasingly tough.

Squad At Full Strength

Stalcup has his squad out in full strength Monday afternoon, some football men having reported for the first time. Drilling on fundamentals has been stressed in recent weeks, and most of the men are handling the ball adeptly. A lot of hard work remains to be done before the opening tilt here only one week from today, when the Peru, Neb., Teachers will appear on the local floor.

Elmo Wright, Joe O'Connor, Leo Praisswater, Dale St. John, Hal Bird, and Orville Johnson are among those showing up nicely. Bud Green, who was forced out with an injury before he season got under way last year, has reported from the football squad and is certain to be a strong contender for center position. Stew Shelton, a member of the squad last year, is reported to be enrolling and, if so, will almost certainly be up near the top of the quad.

Boys Are Working Hard

Joe Benson and Buford Jones are recovering from injuries and probably won't join the squad until after the first of the year. Benson was visiting in the campus yesterday after an absence.

County Debating League Will Open Early in January

High Schools to Argue Merits of U. S. and British Radio Control.

The high schools of Nodaway county have been divided into three zones for the Nodaway county debating schedule which has been announced by the board of control. Maryville is in zone 1 with Clearmont, Quitman, Elmo and Hopkins.

Zone 2 consists of Barnard, Guilford, Graham, College high and Skidmore. Zone 3 includes Parnell, Conception Junction, Ravenwood and Harmony.

The debating season will begin January 10. The question for debate this season is Resolved, That the United States should adopt the essential features of the British system of radio control and operation.

Each school will have an affirmative and negative debate team. In the debates the affirmative will speak first. Each speaker is given ten minutes in the opening speech and given five minutes on rebuttal.

Judges will be chosen by competing schools. It has been suggested by the board of control that teachers from a non-competing school act as judge. The winning team in each zone will debate in the finals, and in case of a tie in the zones the board of control will provide an elimination schedule.

Affirmative teams debate at home except in the finals.

Members of the board of control are (Continued on Page 4)

Graduate Honored

Lloyd Fine, class of 1929, who is doing graduate work at Missouri University, was recently elected to membership in Phi Delta Kappa, honorary educational association. To be eligible requires that one be in the upper rank of his class and be unanimously elected by the members. Ten men out of more than sixty proposed for membership have been elected during the past year. Formal initiation was held on Monday evening, December 4, at Harris Cafe in Columbia.

THE NORTHWEST MISSOURIAN

Maryville, Missouri

Published once a week at the State Teachers College, Maryville, Mo., except the last of August and the first of September. Entered as second class matter, November 9, 1914, at the Post Office at Maryville, Mo., under the act of March 3, 1879.

POLICY

Raise the Student's and College standards and promote higher student interest and participation in all school activities. To maintain a clean, high quality paper for the benefit of our fellow students.

DAD'S DAY

December 15 is Dad's day and is specially reserved for them at the College. Since this day has been set aside for them especially you should be sure that your Dad is invited and you should not only invite him, you should insist that he come. Maybe your Dad does not know much about the operation of our College; if he does not, show him around. Your Dad is always interested in your work and you should be proud to take him around to see what you are doing.

If your Dad is not invited he will probably feel slighted, not by the College but by you. He is making great sacrifices to send you here, surely you could do that much in return.

When your Dad gets here meet him at the front door and show him around, let him know that you are anxious to show him what you are doing. Regardless of how small it may seem to you, what you are doing means a great deal to him.

LET'S MAKE THIS THE GREATEST DAD'S DAY IN THE HISTORY OF S. T. C.

BORROWING

"Lemme have your compact," or "Can I borrow your comb?" are unwelcome phrases heard far too often around school. Girls that feel the need of retouching every few minutes should carry their own cosmetics and stop testing their classmates' friendship, for even friendship cannot long withstand the strain of continual borrowing. The compact parasite, as she might be termed, soon is dodged by all acquaintances, who hate to appear discourteous by refusing to lend so small a thing. Yet even such a small thing may become large, as a means of transmission of disease. In view of this, then, it might be well to be the Scotchman to your borrowing friends.—Warrensburg Student.

EXTRA-CURRICULAR COURSE

A new course has been added to the curriculum this quarter that has been needed for a long time. The course deals with Extra Curricular activities and how to systematize them. For quite a while the extra curricular functions of M. S. T. C. have claimed an abnormal part of the student's time. There is a time and place for everything but the parceling out of time and the regulation of functions is extremely essential. Toward that end the new course will point, not as a rule making course but as one designed to instruct students so that they may regulate their own functions to the best advantage to all.

Nearly every night in the week finds at least three or more club meetings, plays or athletic functions that demand more than a fair share of the student's time. When the grades are made out the number of club meetings, games and plays attended do not count. There are no questions, generally speaking, on the finals pertaining to this or that extra-curricular function. That is as it should be, but is it wise to skip a departmental club meeting when the professor has advised the class to attend? Departmental clubs are too often built on the semi-forcing system. In "higher" society a young person may reach the peak in the estimation of his or her elders by joining the "Junior League" or some similar extra-curricular activity organization. In college the young person rises to a similar high place in the estimation of those in charge by participation in the departmental sub-organizations. In the eyes of fellow students the participant in social clubs and functions raises himself to a higher degree of popularity.

All of this is well enough if such functions did not turn out to be growing habits that eventually eat into the study time of the student. Perhaps this new course can correct this fault somewhat by educating the students to self regulatory measures and to send representatives to the Student Senate that will look out for the best interests of the Student Government Association and by regulating the dizzy extra-curricular schedule now in operation.

If a greater percentage of these "after-hour" social affairs were all-school in nature, rather than select group in scope, some condonement might be allowed for the extensive program usually in force.

SPECIAL LETTER TO SANTA CLAUS

Dear Mr. Claus:

I enjoyed your visit last Christmas very much and am looking forward this year to seeing you again. As a gentle hint, I would like very much for you to bring me a good sized order of game fish for the new lake we are building on the campus. I would like live ones, please. Awaiting your reply I am,

Sincerely yours,

Uel W. Lamkin.

THE SHADOW THAT SPEAKS WITH A FIRM VOICE

BOOKS

"ALL KNEELING"

By Anne Parrish

Aside from the very few who read all kinds of books constantly, there are a vast multitude who occasionally pick up a light, frothy thing because they desire the spice of variety without too much content. This book is that kind of book for that kind of reader. There is, in truth, more foam than fruit juice in the concoction and pleasing euphony in the heroine's name. Anyone could read the piece in one short sitting and go back to Trill and Mann's History of the English People quite well refreshed.

Christable Caine is the misunderstanding near-genius who writes lyrics and who would be unable to understand the sweet lurge of irony with which she is drawn. The title of the book taken from the Book of Common Prayer tells the secret of the whole congregation of family and friends who are "all kneeling."

The nicest incident in the book is a letter from the husband to the heroine-poetess who complains in the first paragraph that he has not had time to read her new bunch of verse and he ends the note with a postscript asking for detective stories to pass the time.

It is still novel enough in style to provide table conversation for those who are uninitiated into the cult of culture.

VIPER'S TANGLE

By Francois Mauriac; Sheed and Ward; 1933

This recent Catholic-Book-of-the-Month-Club novel is from the pen of a French novelist, whose psychological and pathological novels have been the center of controversies among Catholic critics of France. His earlier novels, though of high literary merit, were denounced for the bold and dangerous colors in which the author painted sin and passion. However, when Viper's Tangle appeared, Mauriac was forgiven, and received enthusiastically by French critics. Here, at last, Mauriac finds Catholicism as the only solution for the evils of life.

Viper's Tangle is a morbid story. An old man, near death, writes a diary for his wife to read after he dies. In this diary, he packs all the hate and bitterness that had surged in his soul through life without an outlet. A miserable old man, he married a wealthy woman who is a mediocre Catholic. In time he comes to hate her and the children she bore him for the lack of kindness they have always shown him. Even as he wrote his chronicle, his family plan and plot ways to get his money.

Certainly it is not a pretty picture, but it is a vivid, tragic exposure of a human soul in anguish, a soul that could have found love and salvation, if it had known God.

PROGRESS IN THINGS, NOT IN HUMAN BEINGS

Speaking of the Chicago "Century of Progress," a newspaper correspondent recently wrote, "It is dedicated to the progress of things, not of human beings." We sometimes wonder if the same might not be said of our nation and of the world for the past third of a century or more. Progress has been measured and spoken of in terms of wealth, material resources, large organization of capital, and great factories, rather than in terms of health, service, high idealism and human wel-

fare. Chicago spent \$37,000,000 in preparation for "The Century of Progress" and more than 22,000,000 people have expended millions in money to see "things" but the Chicago Board of Education has recently dropped from active service more than 1300 teachers, have eliminated all junior high schools, and have abolished many classes and activities, besides letting their teachers go without pay for months.

The home, school and church are the great institutions that make human progress possible, that build character and high idealism and train for service and health. When a nation is spending billions on highways, lakes, parks, and power plants, "things" might not it expend a part of that billions in making it possible for the more than 80,000 unemployed teachers to find employment in teaching the thousands of youths who would be in high school and college if financially they were able. Is America as much interested in "progress of human beings as in progress of things?"—The Gleaner.

Education Department

Commercial Teachers Meet

The meeting of the Department of Commercial Training at the State Teachers Association will be of interest to Alumni readers. Mr. Ralph D. Schreuesburg, who holds a life certificate from the College, was chairman of the department. Mr. Schreuesburg taught commercial subjects at Flat River for several years, leaving Flat River to accept a position in the Hadley Vocational school in St. Louis.

The secretaryship was held by Miss Pauline Van Eman, teacher of commercial subjects at Gallatin, Mo. Miss Van Eman is a graduate of the University of Kansas. She attended S. T. C. during the summer of 1932.

Mr. Lloyd L. Jones, one of the authors of General Business Science talked in his pleasing way. Mr. Jones will be remembered by many of our readers from his visit to the College in the summer of 1932.

At the close of the program the nominating committee brought in its report which was accepted by the department. The officers for the coming year are:

Chairman, Pauline Van Eman, Gallatin, Mo.

Vice-Chairman, Mr. Gordon Trotter, Webster Groves, Mo.

Secretary, Miss Mabel Cobb, Kansas City, Mo.

Attending the meeting and Men known to commercial teachers were: Mr. Wilbur York of the Southwestern Publishing Co., Mr. W. D. Wigent, manager of the Chicago office of the Gregg Publishing Company, and Mr. Rasmussen of the same company, and Mr. Lloyd L. Jones of Chicago.

Graduates and former students of this college were:

Miss Ruth Hughes, Mapelwood, Mr. Gordon Roach, Mr. Ralph Schreuesburg of Hadley Vocational School, St. Louis, Mr. Gordon Trotter, Webster Groves, Mr. Orlo Smith, Boonville, Miss Mary Pistole, Hermann, Miss Helen Tebow, Hancock, Miss Lillian Jones, Mapelwood, Miss Pauline Van Eman, Gallatin, Miss Maren Williams, Columbia, and Miss Mimie B. James of Maryville.

Exchange

The Southwest Standard has added an exchange column to its sport page. The column has both sports and general news items from other schools. Such a column has a place in every paper and the Missourian congratulates the Standard, on having set the pace in the M. I. A. A. papers for such a column.

But we see that the coeds at Grove City College are required to live in the dormitories unless their families live in the town.

The administration of the University of California ordered all library chairs to be sand-papered to prevent runs in the girls' stockings.

Harvard University has a contract with the makers of Yale locks whereby the name is left off all locks used at Harvard. However, the Harvard classics may be found at the Yale library.

University of Colorado students who are caught drinking are sentenced to three years of Sunday school attendance.

THE STROLLER

Dale Perkins has gone Indian on us, he is using shoe polish to paint himself with.

Estelle Hunter's eyes have been bothering her since Thanksgiving. Maybe she spends too much time looking at a certain diamond ring.

Did Dick Barrett do it up in fine style when he hung his pin?

Chubby Yates says that his trump suit is hearts and that his is not going to "re-nig." What do you figure out of that?

The old gang is slowly dwindling. Homer Gile finally got through, Mack Ruth expected to, and Bricken gave up.

Margaret Maxwell wants to know when we are going to sleep now that Dr. Mehus is going to have us work just 30 hours a day.

LETTERS TO SANTA CLAUS

(The Missourian will print prominent letters to Mr. S. Claus each week from now till Christmas.)

Maryville, Missouri, December 8, 1933.

Dear Santa:

Will you please bring me a year's supply of matches for Christmas? Your Little Friend,

John Henry Heath.

Dear Santa Claus,

I am a good little boy and work hard but the machine I work on is getting old. Please bring me a new Mimeograph. I will take good care of it.

Gerald Stigal.

Dear Sandy Claus:

Please, pretty please, bring me a lease on a tall blue eyed blond. I will return him in good shape when I am through with him.

Margaret Knox.

Dear Mr. Claus:

The Girls of Residence Hall request your presence at a formal Yule Tide Tea, Sunday, December 24th at 5. (Please bring us a book of songs to sing at formal dinner parties). (Kindly address all packages to girls, using their full name and not their last name.)

Sincerely yours,

Margaret Stephenson.

Dear Thanta Taus:

Pwease bwing me a voice changer so I (in stwop mwyr bwaby talk. Also Deawr Thanta, pwease teach me a new way to say, Stwike Mc Pwink.

Youw tuly,

Nell Blackwell.

North Pole

Arctic Circle.

Dear Mr. Santa Claus:

Enclosed please find statistics on death rate of those riding in sleds. I know that the little children of the world would miss you greatly if anything happened to you and advise that you walk this year and not take any chances. I am enclosing statistics also on the things I want for Christmas. As you see I use a lot of statistics. please bring me a large package of assorted statistics both black and white.

Very Cordially yours,

Dr. O. Myking Mehus.

DEAR PUBLIC

My Dear Public:

You are starting in on a new quarter with your worries behind you . . . Do not be discouraged at the smallness of the grade . . . Prove to the professor this quarter that he (or she) was wrong . . . For instance: If you got an I in Wollyology don't break your neck to get an an S or an E, this quarter, just flunk the course . . . This will show the prof. that you are not offended by his past efforts and he (or she) will give up in distress upon seeing that it does not dampen your spirit to receive low grades. Thus high grades can be worked out of the faculty with a great deal of ease . . . All that believe this stand on your head.

In keeping with the GOOD POSTURE week at the gym I thought that some of you might want to reduce a little and give the "figger" a chance . . . C. So here it is . . . the reducing famine of the week . . . Breakfast . . . One half sliced grapefruit (or pineapple) . . . a slice of dry toast . . . one half boiled egg, one glass water . . . (one hour torture) . . . Luncheon . . . Bacon and tomato sandwich, one half dozen ripe olives, two potatoes (to make up for breakfast), one slice ham, (large) one half dozen biscuits, three helpings marmalade, two oysters (broiled), one half pound of mushrooms (boiled) fried apples and pumpkin pie, coffee, tea or milk and one half stalk of celery . . . That should hold the appetite till evening . . . At the dinner hour the volume should be cut . . . something light is much better to go to bed on . . . For instance . . . four hard boiled eggs, cold beef, three slices; three raw carrots (tops and all) . . . one cup unsweetened tea, one piece of corn bread. That should take the weight off of anyone . . . just worrying about the next meal.

Dad's day is coming so write home and fix things up for him to be here and I'll see you later.

Humps

Campus Society

Goodpasture Hooper

Miss Frances Ruth Goodpasture, daughter of Mr. and Mrs. Bethel Goodpasture of Maitland, was married to Thomas R. Hooper of Maryville, the son of Mr. and Mrs. C. G. Hooper of Maitland. The wedding took place at 7:30 o'clock Wednesday evening at Mound City at the parsonage of the M. E. church. The pastor, Rev. C. S. Young, read the single ring ceremony. They were accompanied by Mr. and Mrs. Bethel Goodpasture and Mrs. C. G. Hooper.

Both Mr. and Mrs. Hooper are graduates of Maitland high school. Mrs. Hooper was graduated from Cotley College at Nevada and this fall has been attending the College here. Mr. Hooper attended the College here for two years; attended the Platt-Gard business College in St. Joseph; and was in a business college for a year in Denver, Colo.

The couple will be at home in Maryville, where Mr. Hooper has been in the insurance business for about a year.

Stockton-Yehle

Miss Dorothy May Stockton became the bride of Ralph Yehle at 7:30 o'clock Thanksgiving morning at the St. Mary's church. The single ring ceremony was read by the Rev. Fr. Isadore Diebold. Mr. and Mrs. Eugene Yehle, brother and sister-in-law of the groom, were the attendants. Miss Hilda Lehr, organist, played Lohengrin's Wedding March for the processional. During the ceremony she played, "Traumeri," and Mendelssohn's Wedding March for the recessional. H. N. Schuster, tenor, sang "Ave Maria" and "O Sanctissima."

Anselm Schumacher and Cleo Yehle were the ushers. The bride wore a gown of Alamo green velvet with black accessories and wore a corsage of rosebuds, carnations and sweet peas.

The bride is the daughter of Mrs. Clay Stockton of Stanberry. She is a graduate of the Stanberry high school and of the State Teachers College here. Mr. Yehle, the son of Mrs. Mary Yehle of Maryville, is a graduate of the Maryville high school and of the University of Missouri. Upon his graduation from the high school he attended the College here for a time. At the University he was a member of the Phi Kappa Psi, social fraternity, and of the Phi Mu Alpha, national musical fraternity. Mr. Yehle has been connected with the Yehle Music Company here. At present he is giving private music instruction. He is warrant officer, and director of the 128 Field Artillery band.

A wedding breakfast was served following the ceremony at the home of Mrs. Mary Yehle to the immediate family.

Mr. and Mrs. Yehle left for a short honeymoon trip and after December 3 will be at home at 119½ West Third street.

Mr. and Mrs. Tom Alsbury, and Mrs. Clay Stockton of Stanberry were out-of-town guests at the wedding.

Y. W. C. A. Pot Luck Supper

Miss Fern Babcock of Kansas City, field secretary of the southwest council of the Y. W. C. A. and the Y. M. C. A., was guest of honor at a pot luck supper given last night at the Y. W. Hut in the College Park. Following the supper the girls gathered around the fire place while Miss Babcock related some of her experiences and told of the discussions at various international relations conferences which she has attended here and abroad. An open discussion of problems on the local campus was held at the conclusion of the meeting.

Those attending were the guest of honor, Miss Olive DeLuce, Miss Margaret B. Stephenson and Miss Dora B. Smith, sponsors of the Y. W. Eula Acklin, Beatrice Sherman, Stella Myers, Esther Marie Schmidt, Leona Coltrere, Marjorie Gibson, Rose Graves, Euna Tospon, Doris Bender, Elsie Snyder, Martha May Holmes, Mildred Mumford, Nella Rose Hoffman, Eudora Smith, LaRue Robey, Cleola Carr, Emma E. Jennings, Ermal Cooper, Dorothy Elizabeth Rimel, Marjorie Eppard, Marceline Cooper, Mildred Clardy, Faye Sutton, Jane Sandy, Lola Clardy, Helen Bassett, Marguerite Summers, Jonan Haskell, and Lydia Hansen.

RESIDENCE HALL PERSONALS

Miss Catherine Norris spent her Thanksgiving vacation in Sedalia with friends.

Miss Currie Gene Heathman attended the Warrensburg game on Thanksgiving day.

Miss Dortha Henry entertained Miss Thelma Chamberlain of Bedford, Iowa, during the vacation.

Friends of Miss Eugenia Compton surprised her with a party on Friday, December 1, at her home in Henrietta, Mo.

Miss Macrine Miller spent Monday night with friends in Residence Hall.

Miss Avis Glenn entertained the Misses Elizabeth and Jessie Grobey, of St. Louis, Mo., at her home in Martinsville.

Miss Fern Babcock, field executive of the Y. W. C. A. and the Y. M. C. A. will be a guest of Residence Hall during her stay in Maryville.

—A. E. C.

Rhode and Embree of Kirksville Lead the M. I. A. A. Scorers

Cape Girardeau, Mo. — Fleetfooted Martin Rhode, Kirksville's great half-back, waltzed off with the individual scoring honors in the Missouri Intercollegiate A. A. by tallying a half-dozen touchdowns and one point after touchdown in the Bulldogs' four conference setts.

Just behind was another member of Don Faurot's undefeated warriors, Arnold Embree, while Murray Brown of Warrensburg and a freshman, Louie "Mud" Bona of Cape Girardeau, and Everett Brenner of Warrensburg, filled out the big four in loop tallying.

Scoring in all games played by M. I. A. A. outfits landed the top honors to huge Murray Brown of Warrensburg, who crossed the goal line nine times. Embree and Rhode of Kirksville tied for second and another Kirksvillian, Moody, came in third. Louis Bona of Cape Girardeau filled in the next gap. The scoring record:

Conference Games.			
Player, School	Td.	P.	TP
Rhode, Kirksville	6	1	37
Embree, Kirksville	4	2	27
Brown, Warrensburg	4	0	24
Bona, Cape Girardeau	3	0	18

Velma Cass, co-title holder of last year's appetite championship, has announced opening practices for this year. Eileen Johnson, the other member of the title holding team, has joined Miss Cass in the first sessions of practice. The season opened officially when they absorbed a can of raw tuna fish Sunday as an appetizer to the evening meal. Last seasons contests were capped with the eating of six candy bars, two hamburgers and a bag of peanuts; washed down by two bottles of orange pop, all at one sitting.

L. N. Bricken did not return to school this quarter.

Moscow, U. Admits American and British Students in 1934

American and English students may study under "Red Professors" at the First Moscow University's 1934 Summer School. Six weeks courses ranging in subject matter from "Political Economics of the Reconstruction Period" to "Crime and Punishment in the Soviet Union," ten in all, will be given in English by the foremost teachers of the USSR. Sponsor in the U. S. is the Institute of International Education. The courses are under the auspices of the Anglo-American Institute of the First Moscow University. I. V. Sollins, formerly of New York University is director.

Courses organized by Mr. Sollins last year on "Experimental Educational Programs in the Soviet Union" and "Institutional Changes in the U. S. S. students and educators and were regarded so successful that the more ambitious program for 1934 was undertaken by the University. Exchange of academic credit with American schools is now being investigated by the Institute of International Education of

The Biggest user OF FINE TURKISH TOBACCOS

—why Luckies taste better, smoother

On certain mountains in the Near East is a limited collar of earth—called in Turkish, "Yacca." Tobaccos grown there cost as high as \$1.00 a pound. Carefully they are examined, leaf by leaf. Often it takes a man a whole day to select two pounds of certain of these fine tobaccos. Lucky Strike is the world's biggest user of fine Turkish tobaccos. For these tender, delicate Turkish leaves are blended with choice tobaccos from our own Southland—to make your Lucky Strike a cigarette that is fully packed—round and firm—free from loose ends. That's why Luckies taste better, smoother.

ALWAYS the finest tobaccos

ALWAYS the finest workmanship

ALWAYS Luckies please!

Famous College Prom Dance Band Featured On New Camel Program

Glen Gray and his original Casa Loma Orchestra, a sensation among college crowds during the last three seasons, takes to the air next Thursday, December 7th, at 10 p. m. E. S. T., using an 83 station hook-up over WABC-Columbia network for Camel cigarettes. The new program is known as the Camel Caravan, and will continue every Tuesday and Thursday at the same hour.

The Casa Loma Orchestra holds the record for the number of college dances for which it has furnished syncopated rhythms. It has five times broken the Princeton tradition that dance orchestras appear on the campus only once.

Among the 70 or more universities and colleges where the Casa Loma Orchestra has played are Yale, Penn. State, Ohio State, Ohio, Cornell, Amherst, Michigan, Vassar, Lehigh, Colgate, Williams, Lafayette, Hamilton, Syracuse and Boston.

Featured with the Casa Loma Orchestra on the "Camel Caravan" will be the songs of Irene Taylor, the girl with the most vivid radio personality on the air today, and the harmonies of that engaging trio, the Do-Re-Mi Girls.

County Debate League Will Open Early in January

(Continued from Page 1)

Bohm Townsend Here
Bohm Townsend, son of Mr. and Mrs. F. M. Townsend arrived here Sunday night from Los Angeles, Calif., where he has been attending the University of Southern California this fall. Miss Lillian Townsend, daughter of Mr. and Mrs. F. M. Townsend who is in Flint Ridge school for girls at Pasadena, Calif., is expected to arrive here Monday evening. Both will return to California the first part of January to continue their studies.

Bohm was graduated from College High School last spring.

\$23,000 Granted For the Civilian Workers' Project

(Continued from Page 1)
The time set for the completion of the entire project is February 15. In order to meet the inside building schedule the Christmas vacation will start one day earlier, December 21, instead of December 22 and will last until January 3 instead of January 2.

The additional \$23,000 buying power in this community will aid the local depression situation greatly. It is estimated that 50% of the money will be paid to townsmen working on the jobs. All skilled labor, with perhaps one or two exceptions, will come from the townspeople.

Work was well under way Tuesday with two shifts working daily except Sunday. Each student works four hours per day at 45 cents per hour. One shift starts at 8 a. m. and works till noon and the second starts at one o'clock and works till five.

The campus will be exceedingly well dressed by spring if each project can be completed on schedule.

Iba Will Bring Colorado U. Team Here December 30

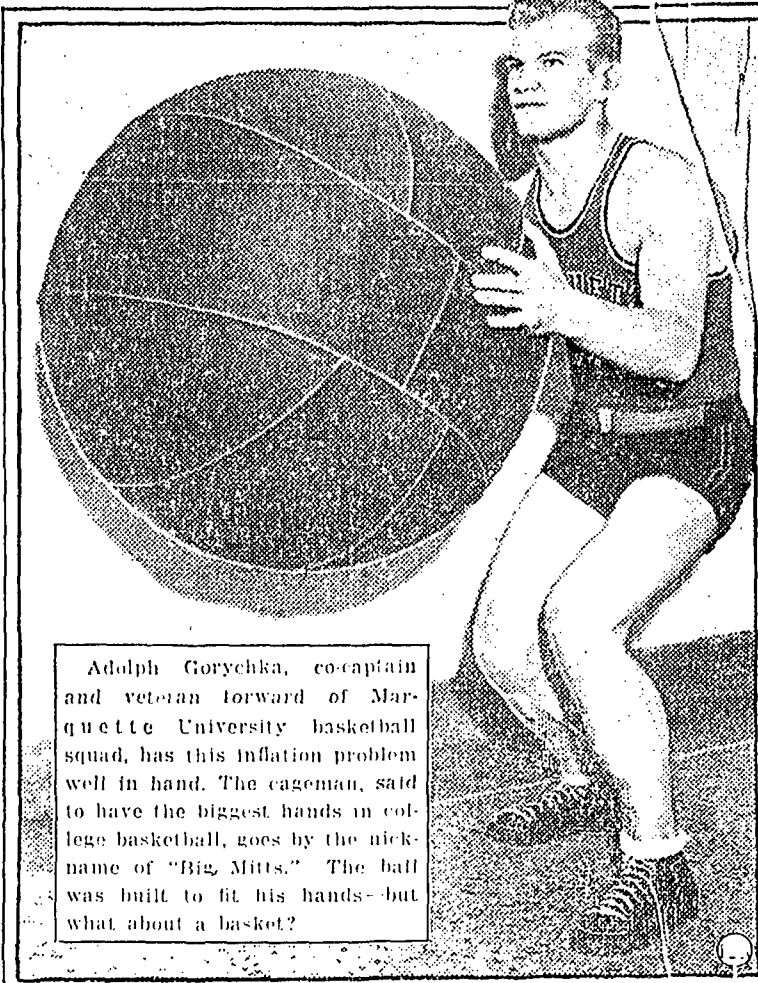

(Continued from Page 1)
sence of eight weeks during which he was first down with a cracked vertebrae in his neck and then stricken with pneumonia. He is feeling pretty good now, he said, but it is doubtful that he can do much for several weeks yet. Jones is hobbling around on an injured leg but hopes to be ready to go before long.

Stalcup said Monday that the race for positions was still on and that no first string has been decided upon. The boys all appear to be working hard, and fans can expect to see some new faces in the lineup from time to time.

Contrary to reports heard around town, Praisewater is expected to be ready to go against Peru.

University of Chicago's football song, "Wave the Flag for Old Chicago," contains the line, "with the grand old man to lead them," alluding to A. A. Staggs now coaching in California. The words of this song were omitted from the football program for the Maroon-Indiana game.

Inflation Under Control

Several Injured Over Holidays

Three M. S. T. C. persons were injured in car wrecks during Thanksgiving holidays. While returning from a trip to Chicago, Miss Mercedes Weiss, of the Physical Education Faculty, was injured severely when her car skidded into a head-on collision with another car near Peoria. Miss Weiss was cut dangerously on the limbs and was badly bruised on the face. She is able to be at school with the aid of crutches.

Margaret Turney returned to school looking somewhat the worse for wear as the result of a wreck in St. Joseph about a week ago. The car in which Miss Turney was riding was struck

broadside and turned over. Margaret received several fractured ribs and torn ligaments in the left arm.

Though definite data was not available at press time as to the details of the wreck, Graham Mallotte was injured in a local smashup and has been forced to use a cane lately.

Kirkville Declines Bid.
St. Louis—Completion of arrangements for a charity football game here December 10 between Duquesne University of Pittsburgh and seniors of Missouri, St. Louis and Washington Universities has been announced by Father Charles P. Maxwell, sponsor. The Kirkville, Mo., Teachers declined an invitation to meet the Dukes.

Football Teams Ended in Riot the Princeton and Rutgers The First Meeting of

Hagerstown, Md.—The first college football game ever to be played ended in a near-riot, recalls William Preston Lane, a veteran of the Princeton team which met Rutgers in the fall of 1869 when the great intercollegiate sport was originated.

After Rutgers had beaten Princeton by a score of 6 to 4 the Rutgers players "ran us Princeton men out of town," he related after reading of the reminiscence of Homer D. Boughner of Denver, believed to be the only other living veteran of that Princeton team.

"I never did find out why they did that. But we didn't ask any questions. When we saw they were coming after us, we ran to the outskirts of New Brunswick and got into our carriages and wagons and went away as fast as we could," he added.

Like Boughner, the Hagerstown resident, who is the father of the Attorney General of Maryland, does not expect to attend the renewal of that initial battle on Saturday. Lane has not seen a football game in years.

The affair in 1869 "had started off very nicely," Lane related. "The Rutgers men had entertained us at lunch and we afterward went to the playing field in friendly way. . . .

"We took off our coats and played in our shirt sleeves. Oh, no, we didn't have any padding or helmets then. Nobody was seriously hurt. Some of us were bruised or scratched."

Fewer Football Deaths Reported This Season

New York.—(A record of progress was marked up today in the efforts to check the deaths caused by football as a survey made by the Associated Press shows only 26 deaths directly attributed to the game during the 1933 season.

Last year a similar survey showed 38 football deaths and in 1931 there were fifty.

Ten more deaths may be partly charged against the game but are considered doubtful. In these cases doctors said football injuries may have been contributing factors.

High schools again showed the great number of fatalities, 16, and "sand-

lot" games were next with 13 deaths. Not one college varsity player died as the result of football injuries.

The 36 deaths, including the ten doubtful fatalities, are classified as follows: College, 5; high school, 16; sandlot, 13; semi-pro and athletic clubs, 2.

Y. M. C. A. Schedule For Meetings Is Arranged

The schedule of weekly programs of the Y. M. C. A. for the winter quarter at the College was made last night by the cabinet and program committee of the organization meeting with Miss Fern Babcock, field secretary of the Southwest, Council.

Following is the program outline:
December 13—Open discussion of points brought out last quarter in the lecture series of Dr. H. G. Dildine. Leader, M. H. Elliott.

December 20—Continuation of the discussion the week preceding.
January 8—Talk, Rev. Robert E. Graham, St. Patrick's church.

January 10—Program by Tarkio College Students.

January 18—International Fellowship banquet. Dr. Charles M. Sheldon, speaker.

January 25—Address by special speaker being brought here by Christian church.

January 31—Address by Maryville business man.

February 7—Program by group from St. Joseph Junior College.

February 14—Address by special out-of-town speaker. Possibly Francis Hansen.

February 21—Report of the T. Z. Koo conference at Park College.

February 28—Discussion on student attitude toward missions.

Mr. O. C. Miller appeared on the program of the Missouri Valley Debate Association last week in Kansas City, Mo. Mr. Miller spoke on "Educational Debate Judging." The Association is made up of debate coaches from universities and colleges in the Southwest.

Federal relief and inflation were discussed on Wednesday before the student body of the State Teachers College by Dr. O. Myking Mehus of the department of social science, and E. W. Mounce, chairman of the department of commerce and business administration.

IT TAKES HEALTHY NERVES

TO BE THE
CHAMPION
TRAP SHOOTER

SHOOTING FROM SCRATCH, 25 yards behind the traps, Walter Beaver pulled out of an exciting tie to win the 34th Grand American—the first time it has been won by a limit contestant! He has been a steady smoker of Camels for years, and says: "During all these years I've been smoking Camels because I like their taste and mildness...they never jangle my nerves."

HOW ARE YOUR NERVES? If you smoke a lot...inside...outdoors...wherever you are...join the swing to Camels. You'll find them milder, better tasting, and they never get on your nerves.

A
MATCHLESS
BLEND

IT IS MORE FUN
TO KNOW
Camels are made
from finer, MORE
EXPENSIVE tobacco
than any other
popular brand.

Steady Smokers turn to Camels

WALTER BEAVER, holder of the coveted Grand American Handicap, says:

"Winning a trap-shooting championship is partly a matter of luck, partly the result of practice and partly healthy nerves. I'm a steady smoker. People kid me about it at the tournaments. They say I never have a cigarette out of my mouth. During all these years I've been smoking Camels, not only

because I like their taste and their mildness, but also because they never jangle my nerves."

It's no fun to feel that your nerves are ragged—and to wonder why. Check up on your eating...your sleep...your cigarettes. Switch to Camels. Your nerves and your taste will tell you that Camels are a more likable cigarette—and that they don't upset your nerves.

CAMEL'S COSTLIER TOBACCOS

NEVER GET ON YOUR NERVES... NEVER TIRE YOUR TASTE
